Welcome to Ozko Signs and Lighting Company where high quality signage and customer satisfaction are top priority. With integrity we have earned a reputation for providing our customers with

“Fast, reliable service guaranteed”

OZKO SIGNS has delivered comprehensive, innovating sign solutions to all our local customers from across Chicagoland. Our customers range from small retail stores to national brand names like McDonald's, Dunkin Donuts, and Audi.

OZKO SIGNS also collaborates with top leading sign companies to service a wider range of national brands.

DUNKIN'
DONUTS

We specialize in sign manufacturing, installation, maintenance, and repair as well as all outdoor lighting. With over 35 years of combined experience in the sign industry, we have developed to meet the complex and dynamic sign and lighting needs of our customers, both big and small. OZKO SIGNS is the one stop solution for all your signage needs from design, survey, permit, fabrication and installation, maintenance, and LED conversions as well as building and parking lot lighting, service, repair, replacement & conversions.

- And much more...

MAINTENANCE

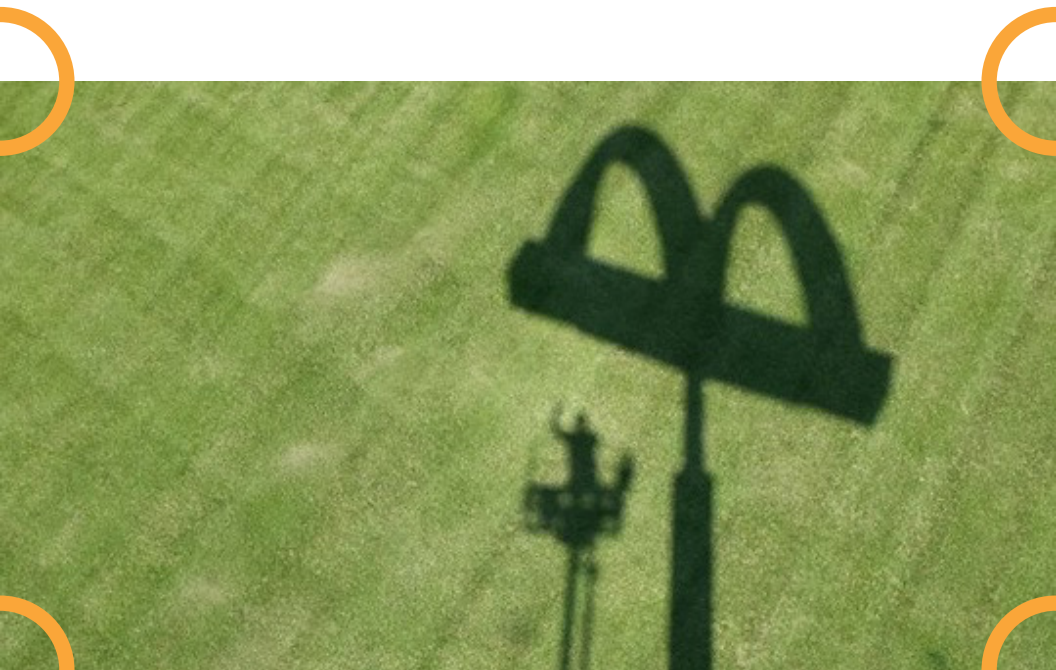

Our technicians are fully trained and equipped for service and maintenance of any signage needs. We offer contracts for monthly maintenance that are customized to suit any customer needs.

INSTALLATION

It doesn't matter if it is a sign we build or if it is one that you had shipped to you. We are fully equipped in handling all your installation needs. There is no job too small or too big.

PERMITTING

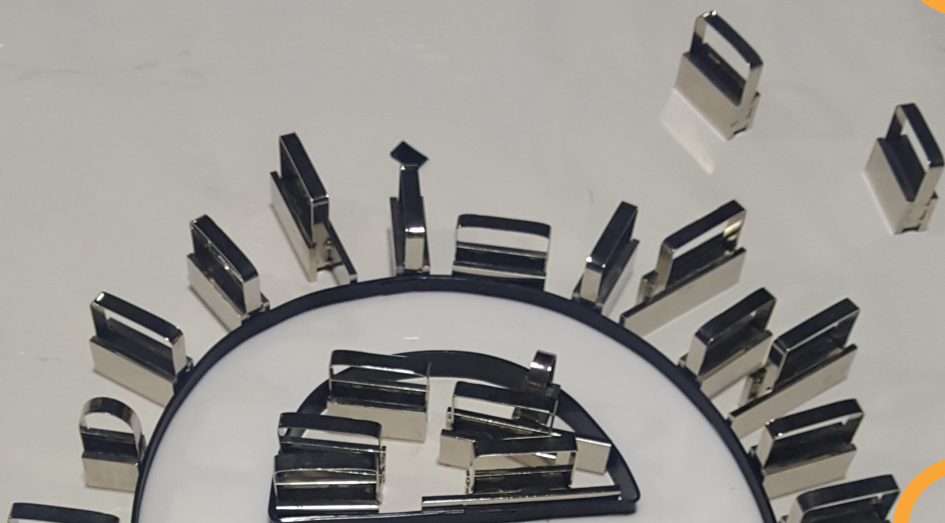

We perform a complete survey of every job site ensuring we have all the information and measurements necessary for each project. We will work with your local municipality to meet their code requirements and submit the necessary paper work to secure your permit.

DESIGN

Whether you have an idea for your sign or no idea at all, our designers can turn your vision into reality. Having an extensive knowledge of the products we use, they can help you with all aspects of your sign. From style and color to what materials to use, our experienced in-house designers will work with you to create a unique, eye-catching sign to identify your business.

OZKO Signs have established a reputation as a leading local sign company by providing the best quality products, with the most cost-effective solution. Our team is backed by the best customer service, we are bonded and insured. Ask about our gold warranty policy and for our competitive pricing. Thank you for considering us in commercial signage.
