Be a Part of a Special Team!

At OZKO Sign & Lighting Company we feel that it is crucial that our employees bring the highest level of quality to the table each and every time we conduct business. We are constantly in search of motivated individuals who will help our company strive to be the best in every aspect of the sign industry. We take pride in being able to provide our employees with the best working conditions, fair pay, competitive benefits and equal opportunity.

OZKO Sign & Lighting Company is a growing sign company. We are always interested in hearing from qualified people who would like to join us. If you have Sign experience we want to talk to you, regardless of whether a current opening exists for your skill.
